Subject: ariz.-calif. power line vote

I would like to insist that you vote no on the ariz. to calif. energy exchange. We're growing and I've seen what calif. does ot electricity rates. I would also like to suggest you have a place for arizonans to let you know what we think of various issues that you are in charge of. There I go...ending with a preposition, but you get my drift. Thanks for your attention.
