Page 93, Line 6, after, "... requirement contained in the RES rules is appropriate for APS at this time." INSERT:

"Specifically, APS shall comply with all of the provisions contained in Decision No. 69127. APS shall meet both the annual renewable energy requirement percentages as well as the Distributed Renewable Energy Requirement as set forth in Decision No. 69127. Within 30 days of the effective date of this order, APS shall file with the Commission a tariff, in similar form to the sample tariff in Decision No. 69127, that proposes methods for recovering the reasonable and prudent costs of complying with the Decision. Within 30 days of the effective date of this order, APS shall file an implementation plan, for the Commission's review and approval, that describes how it intends to comply with the provisions contained in Decision No. 69127."

Page 140, DELETE lines 20 through 22, INSERT NEW FINDING OF FACT:

"60. The record in this case supports a finding that the requirements contained in Decision No. 69127 are appropriate for APS at this time. Specifically, APS shall comply with all of the provisions contained in Decision No. 69127. APS shall meet both the annual renewable energy requirement percentages as well as the Distributed Renewable Energy Requirement as set forth in Decision No. 69127. Within 30 days of the effective date of this order, APS shall file with the Commission a Tariff, in similar form to the sample tariff in Decision No. 69127, that proposes methods for recovering the reasonable and prudent costs of complying with the Decision. Within 30 days of the effective date of this order, APS shall file an implementation plan, for the

Commission's review and approval, that describes how it intends to comply with the provisions contained in Decision No. 69127."

Page 150, DELETE lines 13 through 15, INSERT NEW ORDERING PARAGRAPH:

"IT IS FURTHER ORDERED that the requirements contained in Decision No. 69127 are appropriate for APS at this time. Specifically, APS shall comply with all of the provisions contained in Decision No. 69127. APS shall meet both the annual renewable energy requirement percentages as well as the Distributed Renewable Energy Requirement as set forth in Decision No. 69127. Within 30 days of the effective date of this order, APS shall file with the Commission a tariff, in similar form to the sample tariff in Decision No. 69127, that proposes methods for recovering the reasonable and prudent costs of complying with the Decision. Within 30 days of the effective date of this order, APS shall file an implementation plan, for the Commission's review and approval, that describes how it intends to comply with the provisions contained in Decision No. 69127."

Make all conforming changes as necessary.
