Subject: APS rate increase.

We all appreciate the additional costs brought about by fuel expenses and such, but might I encourage you to with hold any approval of a rate increase for APS until such time as APS/Pinnacle West has sufficiently demonstrated their willingness to bring their fiscal problems into the realm of reality. I really do not enjoy paying ant portion of Mr. Post's and Davis's million dollar salaries while they cry "poor mouth" regarding their company. Thank you for you consideration to this issue.
