Dear Commission Member: I certainly don't support the rate increase to \$60/month, to \$54/Month or anything at all. I do not know who is presiding over this case but to grant Gold Canyon Sewer any increase is certainly not the wishes of anyone living in Gold Canyon. The Sewer company has not justified the original rate of \$35/month and certainly cannot justify the proposed rate increase that is before the Commission. I do not know how the Administrative Judge got the misleading information about the people of Gold Canyon supporting the Sewer Company but we need to set the facts straight. Has the original message about no rate increases not been presented to the Judge? it was the Sewer Company representatives that gave this information to the people of Gold Canyon originally and I do not understand why he is siding with the Gold Canyon Sewer Company. Please represent the people on this issue.

Sid Kraft, Gold Canyon resident!
