Nature of Complaint:

06/20/07 Customer called to give his opinion of the rate increase notification he received from Wilhoit Water. He said he lives in the Thunderbird Meadows area and the system has no supervision in the area and it needs someone locally to take care of it. He said they do need to take care of the system so if an increase will do that then that is fine but not 91%. That amount of increase will hurt a lot of the residents who are retired World War vets.
