I am writing to encourage you to quickly approve the agreement between PSWID and Pine Water Company to drill the deep "K2" well on property owned by Brooke Utilities.

As part time residents of Pine, we are very concerned about the ongoing restrictions placed upon us when we do use our property in Pine.

We hope you will move quickly to approve this agreement in order to help alleviate these water shortage issues. Thankyou.

Gary and Joanne Mizell

4843 Moutatain Sunrise, Pine AZ
