PUBLIC NOTICE

PUBLIC NOTICE OF PUBLIC COMMENT SESSIONS ON THE APPLICATIONS OF ARIZONA-AMERICAN WATER COMPANY FOR A DETERMINATION OF THE CURRENT FAIR VALUE OF ITS UTILITY PLANT AND PROPERTY AND FOR INCREASES IN ITS RATES AND CHARGES BASED THEREON FOR UTILITY SERVICE BY ITS SUN CITY WASTEWATER DISTRICT, SUN CITY WEST WASTEWATER DISTRICT, AND SUN CITY WATER DISTRICT.

DOCKET NUMBERS WS-01303A-06-0491 AND W-01303A-07-0205

On July 28, 2006, Arizona-American Water Company ("Company") filed an application with the Arizona Corporation Commission ("Commission") for an increase in operating income for its Sun City Wastewater District of approximately 35.84 percent (\$1,606,636), and for its Sun City West Wastewater District of approximately 51.50 percent (\$2,337,140). Under the Company's proposal, a residential customer's bill for wastewater service in the Sun City Wastewater District would increase from the current rate of \$10.98 per month to \$14.49 per month (approximately 31.17 percent), and in the Sun City West Wastewater District would increase from the current rate of \$20.56 per month to \$30.73 per month (approximately 49.46 percent). The Company is proposing a volumetric rate design, so the actual percentage Company-proposed rate increase for individual customers would vary depending upon the quantity of service provided. Customers may contact the Company to inquire about the effect of the Company's request on their individual bill. The Commission's Utilities Division Staff is in the process of auditing and analyzing the Company's records but has not yet made a recommendation regarding the Company's rate increase proposals. The Commission will determine the appropriate relief to be granted based on the evidence of record in the proceeding. The Commission is not bound by the proposals made by the Company, Staff, or any intervenors and therefore, the final rates approved in this docket may differ from the rates requested by the Company. Copies of the application and proposed tariffs are available at the Company's offices, 19820 N. 7th Street, Suite 201, Phoenix, Arizona and the Commission's offices at 1200 West Washington, Phoenix, Arizona, for public inspection during regular business hours and on the internet via the Commission web site (www.azcc.gov) using the e-docket function.

On April 2, 2007, the Company filed an application with the Arizona Corporation Commission for an increase in revenues for its Sun City Water District of approximately 29.53 percent (\$2,239,681). Under the Company's proposal, an average residential customer's bill water service, based on usage of 8,269 gallons per month, would increase from the current rate of \$13.91 per month to \$18.04 per month (approximately 29.70 percent). The actual percentage Company-proposed rate increase for individual customers would vary depending upon the type and quantity of service provided. Customers may contact the Company to inquire about the effect of the Company's request on their individual bill. The Commission's Utilities Division Staff is in the process of auditing and analyzing the Company's records but has not yet made a recommendation regarding the Company's rate increase proposals. The Commission will determine the appropriate relief to be granted based on the evidence of record in the proceeding. The Commission is not bound by the proposals made by the Company, Staff, or any intervenors and therefore, the final rates approved may differ from the rates requested by the Company. Copies of the application and proposed tariffs are available at the Company's offices, 19820 N. 7th Street, Suite 201, Phoenix, Arizona and the Commission's offices at 1200 West Washington, Phoenix, Arizona, for public inspection during regular business hours and on the internet via the Commission web site (www.azcc.gov) using the e-docket function.

The Commission will hold two public comment sessions on these matters on Wednesday, May 16, 2007. The first public comment session will commence on Wednesday, May 16, 2007 at 10:30 a.m. at the Fairway Recreation Center Auditorium, 18600 West Peoria Ave., Sun City, Arizona.
