IN THE MATTER OF AMERICAN REALTY  
& MORTGAGE CO., INC. DBA HACIENDA  
ACRES WATER SYSTEM – FILING OF A  
CURTAILMENT PLAN TARIFF

DOCKET NO. W-02258A-07-0350

DECISION NO. 69678

ORDER

Open Meeting  
June 28, 2007  
Phoenix, Arizona

BY THE COMMISSION:

FINDINGS OF FACT

1. American Realty & Mortgage Co., Inc. dba Hacienda Acres Water System (“Company”) is certificated to provide water as a public service corporation in the State of Arizona.

2. On June 4, 2007, the Company filed for a curtailment plan tariff. The Company’s proposed tariff differs from Staff’s general tariff template that is posted on the Commission’s website. The Company omitted language from its proposed tariff that requires the Company under a Stage 3 or 4 Curtailment to augment its supply of water by either hauling or through an emergency interconnect with an approved water supply. The Company also omitted language requiring that it must otherwise provide emergency drinking water for its customers until a permanent solution has been implemented under a Stage 4 curtailment.

3. Staff believes that in order to have a proper curtailment tariff, the language omitted by the Company must be included. Therefore, Staff recommends approval of the Company’s curtailment plan tariff with the omitted language included as reflected in Exhibit A, attached.

CONCLUSIONS OF LAW

1  
2 1. The Company is an Arizona public service corporation within the meaning of  
3 Article XV, Section 2, of the Arizona Constitution.

4 2. The Commission has jurisdiction over the Company and of the subject matter in  
5 this Application.

6 3. Approval of the filing does not constitute a rate increase as contemplated by A.R.S.  
7 Section 40-250.

8 4. The Commission, having reviewed the application and Staff's Memorandum dated  
9 June 27, 2007, concludes that the Curtailment Tariff, as attached in Exhibit A, is reasonable, fair  
10 and equitable and therefore is in the public interest.

**CURTAILMENT PLAN FOR: Hacienda Acres Water System**

(Template 063004)

ADEQ Public Water System No: 11-301

American Realty & Mortgage Co., Inc. dba Hacienda Acres Water System ("Company"), is authorized to curtail water service to all customers within its certificated area under the terms and conditions listed in this tariff.

This curtailment plan shall become part of the Arizona Department of Environmental Quality Emergency Operations Plan for the Company.

The Company shall notify its customers of this new tariff as part of its next regularly scheduled billing after the effective date of the tariff or no later than sixty (60) days after the effective date of the tariff.

The Company shall provide a copy of the curtailment tariff to any customer, upon request.

**Stage 1 Exists When:**

Company is able to maintain water storage in the system at 100 percent of capacity and there are no known problems with its well production or water storage in the system.

**Restrictions:** Under Stage 1, Company is deemed to be operating normally and no curtailment is necessary.

**Notice Requirements:** Under Stage 1, no notice is necessary.

**Stage 2 Exists When:**

- a. Company's water storage or well production has been less than 80 percent of capacity for at least 48 consecutive hours, and
- b. Company has identified issues such as a steadily declining water table, increased draw down threatening pump operations, or poor water production, creating a reasonable belief the Company will be unable to meet anticipated water demand on a sustained basis.

**Restrictions:** Under Stage 2, the Company may request the customers to voluntarily employ water conservation measures to reduce water consumption by approximately 50 percent. Outside watering should be limited to essential water, dividing outside watering

on some uniform basis (such as even and odd days) and eliminating outside watering on weekends and holidays.

**Notice Requirements:** Under Stage 2, the Company is required to notify customers by delivering written notice door to door at each service address, or by United States first class mail to the billing address or, at the Company's option, both. Such notice shall notify the customers of the general nature of the problem and the need to conserve water.

**Stage 3 Exists When:**

- a. Company's total water storage or well production has been less than 50 percent of capacity for at least 24 consecutive hours, and
- b. Company has identified issues such as a steadily declining water table, increased draw down threatening pump operations, or poor water production, creating a reasonable belief the Company will be unable to meet anticipated water demand on a sustained basis.

**Restrictions :** Under Stage 3, Company shall request the customers to voluntarily employ water conservation measures to reduce daily consumption by approximately 50 percent. All outside watering should be eliminated, except livestock, and indoor water conservation techniques should be employed whenever possible. Standpipe service shall be suspended.

**Notice Requirements:**

1. Company is required to notify customers by delivering written notice to each service address, or by United States first class mail to the billing address or, at the Company's option, both. Such Notice shall notify the customers of the general nature of the problem and the need to conserve water.
2. Beginning with Stage 3, Company shall post at least 2 signs showing the curtailment stage. Signs shall be posted at noticeable locations, like at the well sites and at the entrance to major subdivisions served by the Company.
3. Company shall notify the Consumer Services Section of the Utilities Division of the Corporation Commission at least 12 hours prior to entering Stage 3.

Once Stage 3 has been reached, the Company must begin to augment the supply of water by either hauling or through an emergency interconnect with an approved water supply in an attempt to maintain the curtailment at a level no higher than Stage 3 until a permanent solution has been implemented.
