Case Number 88

UNS ELECTRIC, INC.'S
EXCEPTIONS TO THE
RECOMMENDED OPINION AND
ORDER

UNS Electric, Inc. ("UNS Electric" or the "Company"), through undersigned counsel, respectfully submits its Exceptions to the Recommended Opinion and Order issued by the Presiding Administrative Law Judge on July 6, 2007 ("Recommended Order") regarding UNS Electric's Request for Extension of Time for Decision No. 60344 (July 31, 1997).

I. EXCEPTIONS.

UNS Electric has already completed construction on the portion of the line from the North Havasu Substation to the Franconia Substation (approximately 28 miles) and therefore, must only complete construction on the line from the Franconia Substation to the Griffith Substation (approximately 28 miles). UNS Electric requests that the Recommended Order be clarified to provide that UNS Electric erect and maintain signs in the public rights-of-way only for the incomplete portion of the line (Franconia Substation to the Griffith Substation) and not for the completed portion of the line.

1 Pursuant to this request, UNS Electric proposes that reference to the North Havasu
2 Substation on page 4, line 21, of the Recommended Order be removed and the first sentence of the
3 second ordering paragraph be revised to state:

4 "IT IS FURTHER ORDERED that within 120 days of this
5 Decision granting its amended Certificate, UNS Electric, Inc. shall
6 erect and maintain signs in public rights-of-way of the 28-mile
7 portion of the 230kV/69kV double circuit transmission line from
8 the Franconia Substation to the Griffith Substation corridor
9 providing public notice that the property is the site of a future
10 transmission line."

11 Additionally, UNS Electric requests that reference to the North Havasu Substation and the
12 phrase "as applicable to the individual site" be removed from page 5, lines 1-2, part (a) of the
13 Recommended Order, so that the sentence reads:

14 (a) That the site has been approved for the construction of a
15 230kV/69kV double circuit transmission line from the
16 Griffith Substation to the Franconia Substation;

17 **II. CONCLUSION.**

18 WHEREFORE, UNS Electric requests that its Exceptions be incorporated into the
19 Commission's final Order.

20 RESPECTFULLY SUBMITTED this 16th day of July, 2007.
