Commission's Docket Control,  
Please receive this letter as a written statement of approval  
for the joint petition Docket No. E-01345A-07-0663 ET  
AL..and Docket No. T-01846B-07-0663

The approval of this petition would greatly enhance HillCrest  
Bay subdivision with the following affects:

1. Safety- exposed overhead lines are a risk during construction, storms, children and over all daily living.
2. The removal of the over head lines will also greatly improve the view of beautiful Lake Haveasue with no obstructions.
3. Finally the overall value of Hill Crest Bay would greatly improve as this much-needed update is completed.
