RE: Docket No. E-01345A-07-0663, T-01846-B-07-0663

This letter is to notify you that I wish to withdraw my name from any petition that was secured by Hillcrest Bay Homeowners Association for any underground conversion at Hillcrest Bay, Parker Arizona. I object to the establishment of a UCSA on Hillcrest Bay. I have never signed any legal papers that had notarization of my signature on anything concerning this matter. I therefore believe many of the signatures obtained for this proposal have not been verified legally I have spoken to many of the parcel owners of Hillcrest Bay and they all have stated they are against this proposal.

Thank you for your consideration in this matter.

Sincerely,

Joy M. Muzic
