Subject: Rehearing for Gold Canyon Sewer Co.

Dear Commissioner Mayes:

Thank you for your leadership in seeking to moderate the rapacious rate increase recently dumped on customers of Gold Canyon Sewer Company. Anyone reading the filings in this case cannot help being struck by the total disconnect from reasonable business practices granted the company by the rate increase.

I hope you have success in trying to bring common sense, and normal business practices into the deliberation of an equitable sewer rate. The citizen customers of Gold Canyon Sewer Company need to have the Corporation Commission look out for our interests, because it is obvious the sewer company does not.
