Dear Commission Members:

This letter is regarding the Groom Creek Water Users Association's application for an adjustment in rates. I am a long time Groom Creek homeowner and a customer of the Association. I would like to go on record as completely indorsing and supporting the request for an adjustment in rates.

The present CICWUA new Board of Directors has been doing an outstanding job since taking over the administration and operation of the water system. However, without an increase in rates the much needed maintenance, repairs and upgrades to the system will not be possible. There is much work to be done.

I urge the Commission to approve the Association's request.

Thank you for your consideration.

Sincerely,

**ARIZONA CORPORATION COMMISSION**
