Nature of Complaint:

8/8/07 Docketed under WS-01303A-06-0491

Per Ms. Young, she is very conservative when it comes to water. Right now her sewer rates are higher than my water usage. During the summer time the water usage is mostly outside and doesn't run through the sewer system. It should be charged according to the usage. I'm opposed to the proposed rate increase, they might need a little increase not 63%. Everything else goes up surely not our pensions.

Investigator's Comments and Disposition:

8/8/07 I advised Ms. Young that her comments regarding the Arizona American Water Sewer rate case will be placed on file with the Docket Control Center of the Arizona Corporation Commission to be made part of the record. The Commission will consider her comments before a decision is rendered. Staff thanked her and appreciated her comments and the interest taken on the proposed rate increase. CLOSED.
