AUG -9 2007

DOCKETED BY 

SECTION 3 - DESCRIPTION OF SERVICE AND RATES, (Cont'd.)

3.6 Optional Residential Services, (cont'd.)

3.6.10 Plan L Service, (cont'd.)

B. Rates and Charges, (cont'd.)

3. Minimum Spend Level

When the Customer's billing for applicable charges falls below a minimum level in any full billing period, a shortfall charge will be applied, which is equal to the difference between the Minimum Spend Level (MSL) and the actual contributory billing for that billing period.

Charges that contribute toward meeting the MSL, include but are not limited to: Direct Dialed calls, International calls, Travel Card calls, Away from Home calls, Personal Toll Free calls, Operator Assistance calls and Domestic and International Monthly Recurring Charges. Federal taxes, state taxes, credits, Universal Service Fees, charges billed by other carriers and other surcharges and taxes do not contribute towards satisfying the minimum spend level requirement. Each billing month when the contributory charges are equal to or greater than the MSL, no MSL charge is imposed. If the contributory charges are less than the MSL rate, the difference between the MSL rate and the contributory charges will be a separate charge on the bill.

Minimum Spend Level – Minimum  
Equal to the actual monthly recurring charge (see Price List Page 3.1)

Minimum Spend Level – Maximum\*  
Per Account - \$9.99

*\* The Plan L Service MSL will only apply when the sum of the MRC(s) plus the actual usage is less than the current MSL.*
