RE: W-20395A-05-0536 & W-20378A-05-0536

Notice that ADEQ has determined water meets water quality standards

Dear ACC:

I am enclosing a Drinking Water Compliance Status Report from ADEQ for Dateland Water LLC that "has determined that this system is currently delivering water that meets water quality standards..."

With this status report we are no longer required to file monthly lab results for the total coliform analysis with Docket Control.

Sincerely,

Ben Thomas

Based upon data submitted by the water system, ADEQ has determined that this system is currently delivering water that meets water quality standards required by Arizona Administrative Code, Title 18, Chapter 4. This compliance status report does not guarantee the water quality for this system in the future. This compliance status report does not reflect the status of any other water system owned by this utility company.
