Page 7, between lines 21 and 22, INSERT a new Finding of Fact to read:

"24. Staff states that the NR Existing Program is off to a rapid start and that interest and participation in the Program are at an unexpectedly high level. We find that these circumstances present an appropriate opportunity to limit, rather than increase, the extent to which the Program is being subsidized with ratepayer dollars. Accordingly, will not authorize the \$3.5 million additional DSM funding for NR Existing Program rebates and incentives, nor will we remove the existing 52 percent budget cap for the combined expenditure for rebates and incentives."

Renumber Findings of Fact to conform
