## CUSTOMER NOTIFICATION

**Winchester Water Company is sending this second notification** of the application for authorization to increase rates because the proposed charges for 2", 3", 4", and 6" meters were not included on the original customer notification. The rest of the notification remains the same as follows.

**Winchester Water Company** has filed with the Arizona Corporation Commission ("Commission") an application for authorization for an increase in its rates and charges ("Application") per the attached schedule. The Application is available for inspection during regular business hours at the offices of the Commission in Phoenix at 1200 West Washington Street, the Commission in Tucson at 400 West Congress, North Building, Room 218, and at Winchester Water Company, 7616 North La Cholla Blvd, Tucson, AZ. **Please be advised that the rates and charges ultimately approved by the Commission may be higher or lower than the rates and charges requested in the Application.**

Customer input is an important part of the Commission's analysis of the requested increase and is a factor in determining whether a hearing will be conducted. Customers are encouraged to call to the Commission's attention any questions or concerns related to the Company's Application, including service, billing procedures or other factors important in determining the reasonableness of charges. As a property owner or customer, you may have the right to intervene in this matter. Customers wishing to communicate with the Commission, or request information on intervention in the proceeding, should contact the Commission's Consumer Services Section at 1-800-222-7000 in Phoenix, or 1-800-535-0148 in Tucson.

Customers are advised that the Commission may act upon the Application without a hearing. Regardless of whether a formal hearing is held, comments submitted in writing will be docketed in the file, which the Commission reviews prior to making the final Decision on the Application. It is important that you contact the Commission within 15 days so that the Commission's Staff can consider your comments and concerns in developing its recommendations to the Commission.
