RE: W-20395A-05-0536 & W-20378A-05-0536

Void prior notice that ADEQ has determined water meets water quality standards

Dear ACC:

Please disregard the letter I wrote dated August 7, 2007, and filed with Docket Control in August of 2007, stating that ADEQ "has determined that this system is currently delivering water that meets water quality standards". The ADEQ Drinking Water Compliance Status Report that was enclosed in said docket filing that was faxed to me from ADEQ on August 3<sup>rd</sup>, 2007, was dated 8-3-2004.

Dateland Water LLC is still required to file monthly lab results for total coliform analysis with Docket Control.

Sincerely,

Ben Thomas
