I William E. Downey of 11202 W. Pueblo Ct. Sun City AZ. 85373 [360-912-7038] customer, hereby move to Intervene in against Arizona American Water's rate increase.

As one of many customers of AZAM WATER I fell cheated for six months of the year. The fees for waste water groundwater savings, and groundwater withdrawal are purely ludicrous.

The difference in my bill with two or more people living in the residence and no one living in the residence is only \$2.00 to \$4.00 less when no one is there. I feel that a good deal of these charges are not justified when the only water being used is for irrigation [watering] of trees and shrubs.

Without this watering, should everyone stop their watering, Arizona will go back to the desert it is.

Sincerely,

William E. Downey
