"Resolution

36. We will adopt Staff's recommendations as summarized in Findings of Fact No. 26 through No. 35. With respect to Finding of Fact No. 28, however, we will further specify that the Company's application to continue the program at the end of one year should also include data sufficient for Staff to determine if program participation can be maintained with the incentives either reduced or eliminated. If Staff determines that program participation cannot be maintained with the incentives reduced or eliminated, the pilot program shall terminate at the end of the first year, unless otherwise ordered by the Commission."
