I think the raise AZ Water Co. want for service is just to much. I went through some of my water bills for 07. The months to be paid by doesn't match the amount of gallons.

Customer is opposed to the sewer rate increase requested by Arizona-American Water Company She states that \$20 a month for sewer is outlandish for sewer. She does not use the sewer to drain the water that she uses because most of the water is outside usage. She states a 63% increase is outrageous.
