**PUBLIC NOTICE OF HEARING ON THE
FIRE SPRINKLER TARIFF OF
LAS QUINTAS SERENAS WATER COMPANY
Docket No. W-01583A-04-0178 ET AL**

On August 22, 2007, the Arizona Corporation Commission ("Commission") re-opened Docket No. W-01583A-04-0178 et al. for the purpose of implementing a fire sprinkler tariff for Las Quintas Serenas Water Company ("Company"). On September 6, 2007, the Company submitted a proposed fire sprinkler tariff. The Company proposes a charge of \$10.00 for each fire sprinkler connection 6 inches or smaller and a \$15.00 charge for each fire sprinkler connection larger than 6 inches. The Company has stated that at this time, it is not proposing to alter its other rates and charges on account of its proposed fire sprinkler tariff.

The Commission's Utilities Division Staff has not yet made a recommendation regarding the Company's proposed fire sprinkler tariff, and the Commission will determine whether the proposed fire sprinkler tariff should be approved based on the evidence of record in this proceeding. The Commission is not bound by the proposals made by the Company, Staff, or any intervenors and, therefore, the final tariff approved in this docket may contain different terms or charges that are either lower or higher than the proposed charges. Copies of the proposed tariff are available at the Company's offices located at 75 W. Calle de las Tiendas, Suite 115-B, Green Valley Arizona, 85614 and on the internet via the Commission website (www.azcc.gov) using the e-docket function.

The Commission will hold a **hearing** on this matter beginning **November 14, 2007**, at **10:00 a.m.** at the Commission's offices, **Room 131**, 400 West Congress, Tucson Arizona. Public comments will be taken at the beginning of the hearing.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written motion to intervene with the Commission no later than **November 5, 2007**. The motion to intervene must be sent to the Company or its counsel and to all parties of record, and must contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different from the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the tariff or from filing written comments in the record of the case. You will not receive any further notice of this proceeding unless you request it.

If you have any substantive questions about this application you may contact the Company: Kaycee Conger; Administrative Manager, 75 W. Calle de las Tiendas, Suite 115-B, Green Valley Arizona 85614, call 520-625-8040, or e-mail at lqswater@aol.com.

If you wish to file written comments regarding the tariff, or want further information on intervention, you may contact the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix Arizona 85007, or call 1-800-222-7000.
