Dear Mr. Gleason,

We are Arizona residents of 20 plus years. We have never before felt the need to write a letter like this, but we are angry.

The Arizona American Water Company, serving Paradise Valley, is charging unreasonable rates. Our bill more than tripled. We cut back everywhere we could and the next bill was still triple.

We don't deny the company the right to recover its costs plus a fair profit but the recent increases are completely unreasonable.

We urge you in the strongest terms to revisit this issue and bring Arizona American Water Company rates back into reasonable territory.

We want to assure you that both of us are registered voters, we always vote, and we are watching this issue closely.

Thank you,

*Andrew Greess*      *Wendy Greess*
