On October 29, 2007, the Utilities Division ("Staff") of the Arizona Corporation Commission ("Commission") filed its Staff Report in the above-captioned matter.¹ Sulphur Springs Valley Electric Cooperative, Inc. ("SSVEC") has reviewed the Staff Report and has no comments. Accordingly, as there are no other parties, and consistent with the request for expedited approval set forth in the application, SSVEC respectfully requests that this matter be considered by the Commission as soon as possible. This will ensure that if the Commission approves the application, SSVEC will have sufficient time to be able to close on the loan and have the funds available for its use by the end of the year.
