Page 67, Line 8 INSERT new paragraph:

“The Company originally proposed that the Low-Income Weatherization Program include \$21,600 in emergency bill assistance, separately and in addition to that already available through Warm Spirits. The \$21,600 would have been part of the UNS Gas DSM portfolio and funded through the DSM adjustor. Staff objected because emergency bill assistance is not DSM and should not be funded as DSM. Staff proposed, and the Company agreed, that the \$21,600 be moved into Warm Spirits and funded through base rates. We agree that the \$21,600 in additional emergency bill assistance should not be funded through the DSM adjustor and that this amount should be moved into Warm Spirits and funded through base rates.”
