INSERT: "We agree with RUCO that Decision No. 66028 did not explicitly approve new depreciation rates. We therefore adopt RUCO's adjustments to accumulated depreciation and accumulated amortization, which will result in a reduction to the Company's OCRB of \$2,855,454 and \$248,887, respectfully. We approve new depreciation rates on a going forward basis, as discussed on page 36 of this decision."

Make all conforming changes, including changes to revenue requirement and rates.
