INSERT the following:

“We agree with the Company that it would be unfair in this case to deduct advances related to test-year CWIP that is not yet in rate base. One could argue that the Company would be made whole by accruing AFUDC on the entire \$7 million in plant not yet in rate base. However, in this case, the Company’s AFUDC accruals have ceased because the \$7 million in plant is almost entirely in service today. Thus, under these facts, we agree that the Company’s advances should not be deducted from rate base.”

Conforming changes.
