T-20457A-06-0294

Motion for Teleconference

IPC Network Services, Inc. ("IPC") hereby requests that the hearing in the above-referenced docket scheduled for November 29, 2007, be conducted by teleconference.

Pursuant to the Commission's Procedural Order, dated October 19, 2007, a hearing has been scheduled before an administrative law judge for November 29, 2007. IPC's employees and agents are located outside of the state of Arizona and are unable to travel to the state on November 29, 2007, to appear on behalf of IPC at the hearing. Thus, IPC moves for the hearing to be conducted by teleconference with its representative, John McSherry, Senior Vice President and General Counsel of IPC. IPC has specifically authorized John McSherry to represent it in this matter pursuant to ARS 40-243(B), and this representation is not Mr. McSherry's primary duty, but is secondary and incidental to his duties relating to the operation and management of IPC.
