To Whom It May Concern:

Please note that we are totally **against** this "UNDERGROUND CONVERSION".

We are retired and live at Hillcrest Bay Mobil Manor on a limited income as many others do. We do not have the funds to give to APS or others for this great task and we do not wish to pay any additional loans for such a great task as this. We already have enough monthly and yearly bills and we do not need more coming out of our limited income.

And furthermore I am disappointed that APS would even accept such a great task whereas retired people on a limited income would have to deplete their savings for this task.

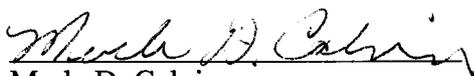

We are told our **estimated** share would be \$15,000.00 plus. This must be a joke.

Arizona has always been very considerate of their retired people. I am very disappointed to see this task has even gone this far!!!

AGAIN, WE WISH TO STATE:

"WE DON'T WANT AND WILL NOT PAY FOR THIS UNDERGROUND CONVERSION".
