RE: MOTION TO INTERVENE in the Application of ICR Water Users Association (ICRWUA) for an increase in its Rates and Charges for utility service.

[This motion to intervene is filed in accordance with the following: Motions to Intervene should be filed at least 5 days before the hearing. Failure to intervene will not preclude any customer from appearing at the hearing and making a statement on his own behalf. This information was found at: <http://www.azcc.gov/divisions/utilities/forms/interven.pdf> ]

DOCKET No. W-2824A-07-0388

My name, address and telephone number are listed below.

I wish to intervene in the application for an increase in the Water Rates and Charges filed by ICRWUA. I am a residential customer of the Utility and therefore have an interest in the ramifications of an increase in water rates.

I have lived in Inscription Canyon Ranch since 2001 and have attended many of the ICRWUA Board meetings. I also participated in writing a Scope of Work for Financial Services and Water Operator Services.

Also, FYI: I just began the fourth year of a four-year term on the ICR Sanitary District Board. From April 2005 to December 2006 I served as Board Chairman.

Provided this Motion to Intervene is granted, it will be a pleasure to articulate everyday conditions that have long-term consequences to the ICRWUA. This is the first time that I have been made aware of an avenue where it will be possible to express what I feel should be reviewed.

Some of the key points that I have in mind are: Well Agreements; ownership of wells, main lines and boost stations; well operation without oversight by ICRWUA; and assets versus customer base.

I hereby certify that a copy of this Notice of Intervention has been mailed to ICR Water Users Association, P.O. Box 5669, Chino Valley, AZ 86323.

Sincerely,
