Re: Request to Close Matter - Picacho Peak Water Company

Docket Control Center:

As requested by staff, Picacho Peak Water Company has filed a new Rate Application based on the 2006 test year. Therefore, closing Docket No. W-02351A-07-0320 - the matter based on the 2005 test year - seems appropriate and is now requested by the company.

If you have any questions or concerns, please give me a call.

Respectfully,

Steve Wene
