Re: Johnson Utilities Company; Docket No. WS-02987A-06-0667; CC&N Application;  
Request to Set Hearing Date

Dear Ms. Lee-Rice:

On October 16, 2006 the Subject Company filed an Application to expand its water and wastewater CC&N for the developments known as Monterra, Montessa, Florence Plaza and Walker Butte. By Procedural Order dated June 17 2007, Judge Kinsey suspended the Application based on the Company's Request for Continuance pending the Arizona Department of Water Resources' ("ADWR") clarification regarding Johnson's Designation of Assured Water Supply. That Procedural Order contemplated the Company requesting the matter be reset for hearing upon resolution of the ADWR issues.

That matter has now been resolved. Correspondence from ADWR is attached hereto authorizing Johnson to continue approving and recording subdivision plats. Therefore, we hereby request that a Procedural Order be issued setting the subject Application for hearing, and any other matters the Judge deems appropriate.

Re: Status and Review of the Designation of Assured Water Supply for  
Johnson Utilities (DWR No. 26-401382)

Dear Mr. Tompsett:

On June 20, 2007 the Arizona Department of Water Resources (Department) received your application to Modify Johnson Utilities' Designation for Assured Water Supply. The Department has determined that the application contains the required information that must be submitted, therefore, Johnson Utilities may now continue approving and recording subdivision plats. The Department will begin processing your application immediately and will notify you if there is any information needed to make the application administratively complete.

The Department appreciates your timely response to my letter dated May 23, 2007 regarding the status of Johnson Utilities' Designation of Assured Water Supply. If you have any additional questions, please contact me at (602) 771-8604.

Sincerely,

J. Scott Miller, Manager  
Office of Assured and Adequate Water Supply
