Re: SCE Devers-Palo Verde Transmission Project
Docket No. L-00000A-06-0295-00130

Dear President Peevey:

Thank you for your December 20, 2007 follow-up letter to your letter of December 13, 2007. Your more recent letter contains additional information on issues raised during the hearings in the above-captioned docket, as well as information gathered by California Public Utilities Commission (CPUC) staff in response to questions that my fellow Commissioners and I raised at the Arizona Corporation Commission (ACC) meeting on October 30, 2007.

In concluding your letter of December 20, you requested that the ACC take official notice of the letter so that it may be included in the ACC's record in this matter. As a matter of standard practice, your December 20 letter and its attachment (your December 13 letter) were filed in the docket for this case on December 27, 2007. Although the record in this matter is closed, both letters may be viewed on the ACC's website at <http://images.edocket.azcc.gov/docketpdf/0000074804.pdf>.

Sincerely,

Mike Gleason
