Re: Request for Amendment to DECISION NO. 70102

The written order delineating the rates and charges approved by the above referenced decision does not reflect an item that was discussed at the Commission's Open Meeting when the Decision was made.

At the Commission's Open Meeting, it was pointed out that the charge to be allowed for LATE FEE was listed as N/A. The discussion by the Commission and the Hearing Officer pointed to agreement that this was a typo and should be listed as ***, which references a note indicating the LATE FEE to be 1.5% of monthly unpaid balance.

I am requesting that this change be memorialized by the Commission.

Sincerely,

Jim West
