Comments regarding Sale of Assets Queen Creek Water Company
Docket No. W-01395A-07-0556

As a customer of the Queen Creek Water company for over 10 years, I would like to make the comment that the sale of this company to the town of Queen Creek is ill advised. The price they are paying for the water company is unbelievable high when you consider the number of hook-ups. I fear that they will raise the price of water to an unrealistic level in order to pay for this acquisition. It would certainly be helpful to have a person with some accounting background to analyze this purchase and to compare it to other water companies that have been purchased in a similar manner.
