Re: Commencement of Construction on the Phoenix Expansion Project

Dear David:

As you may be aware, Transwestern has received certain authorizations from FERC to proceed with construction for specified areas on the Phoenix Expansion. Also attached is one of our contractor release notices. Therefore, Transwestern anticipates construction activities will commence for specified areas on January 28, 2008. Transwestern will also keep you further apprised as construction progresses on remaining portions of the Project.

Please feel free to contact me at 281-714-2010 if you have any questions.

Sincerely,

Shelley Corman
