**PUBLIC NOTICE
OF THE APPLICATION OF TRICO
ELECTRIC COOPERATIVE, INC.
FOR APPROVAL OF ITS RENEW-
ABLE ENERGY STANDARD TARIFFS
DOCKET NO. E-01461A-07-0578**

On October 5, 2007, Trico Electric Cooperative, Inc. ("Trico") filed with the Arizona Corporation Commission its Renewable Energy Standard ("RES") Tariff and Voluntary RES Contribution Program Tariff in compliance with Decision No. 69728, dated July 30, 2007. Trico also filed its RES Customer Self-Directed Tariff in compliance with RES Rule R-14-1809(A) and its annual 2006 Rural Utilities Services Form 7 in compliance with the RES Rule R-14-1808(B)(1). Trico's RES Tariff proposes to meet the requirements of the Renewable Energy Standard and Tariff Rules that became effective on August 14, 2007.

In the new RES Tariff filing, Trico is proposing a surcharge per kWh subject to monthly maximums by customer class. The proposed governmental and agricultural member/customer surcharge is \$0.000875 per kWh. The proposed governmental and agricultural member/customer maximum is \$13.00 per service and the proposed governmental and agricultural member/customer maximum when demand is 3,000 kW or more for 3 consecutive months is \$39.00 per service. For all other members/customers, Trico is proposing a surcharge of \$0.004988 per kWh. Trico is proposing a \$1.05 maximum per service for its residential members/customers. The proposed non-residential member/customer maximum is \$39.00 per service. For non-residential members/customers with a demand of 3,000 kW or more for 3 consecutive months, the proposed maximum is \$117.00.

In addition to the RES Tariff, Trico has also filed its Voluntary RES Contribution Program Tariff with the Commission. The proposed program allows members/customers to purchase 50 kWh blocks of green energy for an additional \$2.00 per bloc. Trico's proposed Customer Self-Directed Tariff allows eligible non-residential members/customers with multiple meters that pay more than \$25,000 annually in RES Surcharge funds to receive funds to install Distributed Renewable Energy Resources.

The application is available for public inspection during regular business hours at the Commission's offices at 1200 West Washington Street, Phoenix, AZ, 85007, and on the internet via the Commission website (www.azcc.gov) using the e-docket function.

You may have the right to intervene in the proceeding. Intervention shall be in accordance with A.A.C. R-14-3-105. If you wish to intervene you must file a timely written motion to intervene with the Commission and send a copy of the motion to the Applicant or their counsel and to all parties of record. A motion to intervene shall be considered timely if it is filed within (1) 14 days of the last date of publication or (2) 14 days of the date of direct notice by mail. The motion shall, at a minimum, contain the following:

1. Your name, address, and telephone number and the name, address, and telephone number of any party upon whom service of documents is to be made, if different from the intervenor.
2. A short statement of your interest in the proceeding (e.g. a customer or potential customer of the Applicant, etc.)
3. A statement certifying that you have mailed a copy of the motion to intervene to the Applicant or their counsel and to all parties of record in the case.

Failure to intervene will not preclude any interested person or entity from providing public comment on the application. The Commission anticipates considering this matter at a future Open Meeting. Public comment regarding the application will be taken at that time.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request reasonable accommodations such as a sign language interpreter, as well as request this docu-

ment in an alternative format, by contacting the ADA Coordinator, Linda Hogan, E-mail lhogan@azcc.gov voice telephone number (602) 542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
