Nature of Complaint:

He received notice that Qwest is requesting a rate increase. He received the notice in the mail and can't recall the specifics, but he is opposed to Qwest getting any type of an increase. They already spend too much money on advertising and don't deserve an increase.

Utilities' Response:

Investigator's Comments and Disposition:

I advised the customer that his comments would be noted for the record in this application. I extended appreciation for he taking the time to express his opinion. (Per Qwest info, this relates to an application to increase maximum rates on an obsolete Calling Plan- QCC Choice Long Distance from \$2.95 to \$3.95, Docket No.T-02811B-08-0029).

E-mailed this to John LaPorta, ACC Phoenix ACC Office to have this docketed under docket No. T-02811B-08-0029. File closed.
