IN THE MATTER OF THE APPLICATION OF GRINGO PASS, INC. FOR A CERTIFICATE OF CONVENIENCE AND NECESSITY TO PROVIDE CUSTOMER-OWNED PAY TELEPHONE SERVICE. DOCKET NO. T-04191A-03-0482

On March 7, 2006 Staff recommended GPI's application be approved.

On April 12, 2006 we did not file an application changing GPI's application to ABC Gringo Inc.

On November 26, 2007 if Staff received a letter requesting GPI to change to ABC Gringo, Inc. this was in error and should have never been done. So everything should be dropped concerning any changes in Gringo Pass Inc. application change to any other company and GPI still desires their application to be approved to furnish pay telephones.

On December 20, 2007 I requested the Staff when phoning to ask for Ms. Vejar so she could give the message to me so I could phone back and answer the request. The only person that gives responses is me, Mr. Gay.

On June 16, 2008 GPI or Mr. Gay will not buy out Pacific Communications Company nor make business dealing with them.

We are one hundred fifty miles from Phoenix on the Mexican Border and according to the U.S. Port of Entry two million people a year go thru here and there are no pay telephones which are needed for the Public Convenience and Necessity and we would request that the Commission to make a decision on GPI's application with out further hearings.

Sincerely,
A. E. Gay
