**Re: Arizona Public Service Company (E-01345A-05-0816 et al) –
Application for Revised Line Extension Tariff, Schedule 3**

On behalf of the members of the Southern Arizona Home Builders Association, I want to express our opposition to Item #22 on the Open Meeting Consent Agenda (Arizona Public Service Company – Application for Revised Line Extension Tariff).

With the Arizona housing industry going through such a severe crisis, the timing of this measure could not be any worse. Shifting additional costs onto home buyers will only make the situation worse.

I urge you to remove this item from the consent agenda and reject it outright.

Sincerely,

Edward Taczanowsky
President
