Gentleman:

After months of letters from the Hillcrest underground utilities committee it was in a letter to me dated October 20, 2007 that I miss understood - it stated 60 % of Hillcrest Bay owners had said yes to the petition and that 2/3 of owners felt the project was a desirable improvement. Then I started receiving legal documents from ASP and Arizona Corp. and Commission - that gave me the impression that the petition had been passed. Now as I reread the letter I realize the 60% may not actually be the number of owners who had (signed). Now I write my concerns.

John Spears, several months ago, came to my home in Orange County (unannounced) with the petition in hand for my signature. Until that time I knew very little of just what was being circulated. The wires and poles since May of 1984 had neither concerned or been an adverse factor. I heard his comments but refused to sign then or ever. I am not one to be caught off guard or easily pressured when money is involved. Hillcrest Bay to me is a great place to relax, play and enjoy. Many of my friends moved there to retire. I too am a widow on Social Security and understand what expenses we all have today to just survive each month. With the economy we are all facing I am sure ^{that} ~~with~~ would be more burden on all of us.

Never did I ever dream someday a group would buy on Hillcrest and try to make us a (County Club). Hillcrest Bay is not a gated community nor do we have a recreation facility or our own boat launch area. But we have always managed.

Thank you for your time to read my feelings twenty four years later the poles and wire are okay. We love to relax enjoy the lake and make this our family get away.

Sincerely<

Barbara J. Hutchens
