Re: Johnson Utilities Company; Docket No. WS-02987A-07-0487; Revised Annual Reports for 1999-2006

Dear Mr. Johnson:

During the course of preparing for the Company's upcoming Rate Case Application, the Company's accountants determined that the Annual Reports filed with the Utilities Division for the years 1999 through 2006 contained certain errors regarding Depreciation.

The effected pages of the Water and Wastewater Division's Annual Reports have been corrected and are attached hereto. Each page is dated with the revision date of February 4, 2008. Please substitute these pages in the original Reports as filed with the Division.

Because the Company does not have a generic Docket Number and this filing does not pertain to a specific docket, Docket Control instructed us to use the number of a pending open matter.

In the event you have any questions, please do not hesitate to call.

Sincerely,

Richard L. Sallquist
