Re: Sun City and Sun City West Wastewater Districts Recommended Opinion and Order, Service and Meter Installation Charges; Customer Meter Re-Read and Meter Test. (Docket No. WS-01303A-06-0491)

Judge Wolfe,

Arizona-American Water Company ("Arizona-American") and Commission Staff agree that it is not necessary to include "Service and Meter Installation Charges", "Customer Requested Meter Re-Read Charge", and "Meter Test Charge" in the revised rates and charges. Arizona-American supports an amendment deleting "Service and Meter Installation Charges", "Customer Requested Meter Re-Read Charge", and "Meter Test Charge" for both Sun City and Sun City West Wastewater Districts.

Sincerely,

Paul M. Li  
Associate Counsel  
Arizona-American Water Company
