I.

FINDINGS OF FACT

1
2
3 1. Kelly J. Waters ("K. Waters") and Daniel B. Waters ("D. Waters") are individuals
4 who reside in Maricopa County, Arizona.

5 2. Kelly's Mobile Home Sales, Inc. ("KMHS") is an Arizona corporation with business
6 addresses located in Tucson, Arizona, and in Tempe, Arizona.

7 3. At all times relevant, K. Waters represented to offerees and investors that she was
8 the owner of KMHS. According to public records, K. Waters is also the president and chief
9 executive officer of KMHS.

10 4. D. Waters represented himself to offerees and investors as the vice-president of
11 KMHS. According to public records, D. Waters is also an officer of KMHS.

12 5. At all times relevant, K. Waters and D. Waters have been married to each other. At
13 all times relevant, K. Waters and D. Waters were acting for their own benefit, and for the benefit or
14 in furtherance of the marital community.

15 6. K. Waters, D. Waters, and KMHS may be referred to individually or, collectively,
16 as "Respondents" as the context so requires.

17 7. At all times relevant, KMHS maintained a website at
18 www.mobilehomessoldbykellys.com, and K. Waters maintained an e-mail address at
19 kellyinaz@msn.com.

20 8. Respondents offered and sold over \$5,000,000 worth of securities within and from
21 Arizona in the form of investment contracts since at least January 1, 2002 to at least July 19, 2007.

22 9. Respondents solicited Arizona investors through newspapers ads.

23 10. One such advertisement published in the January 14, 2007 edition of the *Arizona*
24 *Republic* stated:

25 Earn high interest on secured notes- IRA's OK
26 Kelly 480-275-9173

11. Upon dialing this published number, a potential Arizona investor ("PAI") spoke to

1 K. Waters. During this telephone call, K. Waters described the investment opportunity to the PAI as
 2 one in which investors purchase the beneficial ownership of a note on a mobile home for a dollar
 3 amount between \$15,000.00 and \$33,000.00. K. Waters informed the PAI that the note was secured
 4 by a mobile home.

5 12. It was explained to the PAI by K. Waters that when a mobile home is sold, the
 6 purchaser finances the purchase by making a note payable to KMHS that pays a very high rate of
 7 interest. K. Waters represented to the PAI that investors are paid annual returns of 12%, 15%, or
 8 21% interest on their principal investment. K. Waters further explained that as part of and
 9 subsequent to such investment, the PAI would receive a beneficial assignment of the purchaser's
 10 note.

11 13. A similar ad published in the *Arizona Republic* on May 13, 2007 stated:

12 Earn 15%
 13 www.15percentsecured.com
 14 Backed by company
 Kelly, 480 275-9173

15 14. The advertised website at www.15percentsecured.com ("15% site") offered investors
 16 "15% Interest on Secured Investments." On this website, Respondents further stated:

17 Potential Investors: Are you currently earning a meager return on
 18 your investment from Stock Markets, Bonds, Mutual Funds or
 CD's?

19 Want to realize a huge interest return on your investment?

20 Earn 15% return with virtually no risk with our secured note
 21 program.

22 Unlike other investments that have high risks, this program offers
 23 low to no risks. It is backed with a title naming you as lien
 24 holder and by our company. If the debtor does not pay...we
 will!!

25 15. The 15% site contained the same contact phone numbers for K. Waters as the
 26 newspaper advertisements referenced in ¶¶10 and 13 above.

16. The 15% secured website had links to two other investment opportunities that were at <http://www.21.percent.com> ("21% site") and www.selfdirectedira12percent.com ("IRA site").

17. On the 21% site, Respondents stated:

Secured Investments @ 21% Per Annum...

This business enterprise is obtainable to private investors who desire to earn a high interest rate of 21% per annum, by purchasing notes. The notes are secured by a title naming you as first (and only) lien holder. The notes purchased are for manufactured homes....

Our company primarily serves the state of Arizona, but have investors from all over the country.

18. On the 21% site, Respondents described the additional services that Respondents provided for their investors, including: (a) 1099 tax return preparation; (b) the provision of monthly "Lenders Financial Statements" (an accounting of payments made on the notes); (c) securitization of that title to the mobile home; (d) preparing the assignment of the notes from borrower/purchaser to the investor; (e) ensuring that the investor is identified in public records as a lien holder; (f) collect payments from the borrower/purchaser; (g) foreclosing on such security interests on behalf of investors in the event of default on the note by the borrower/purchaser; and (h) paying the investors their promised profits in the event of default on the note by the borrower/purchaser (i.e., guaranteeing the investment). Thus, Respondents' investors relied solely on the efforts of the Respondents for their promised profits.

19. On the 21% website, those interested in investing were further informed as follows:

Interested in Investing?

It is easy to get started, just provide us with the following:

How much you would like to invest

What interest rate you would like

Full name

Address

Phone number

Social Security Number (only for 1099) _____

That is it, once we have all this information, we do all the rest.
To find out more, type your name and email address below and
then click the Go button....

20. The contact information provided on the 21 % site included that of KMHS, K. Waters and D. Waters. The 21 % site enabled investors to e-mail K. Waters and D. Waters directly.

21. The IRA site stated, "Break away from the low interest rate you are currently earning and realize a higher interest rate is available." On this site, Respondents informed investors that they have the "option to direct their own IRA account and other retirement plans into a higher interest secured investments." The IRA site also contained the contact information of K. Waters and D. Waters.

22. In July of 2007, a PAI who communicated with K. Waters and D. Waters after visiting the 15 % site, 21 % site and the IRA site was presented with what Respondents claimed to be the financial information of mobile home purchasers who were in need of financing. D. Waters explained that he investigated borrowers to determine their credit worthiness.

23. K. Waters explained to this PAI that the investor's funds would be used to fund a loan for a purchaser of a mobile home. K. Waters further explained to the PAI that after the mobile home was purchased with the investor's funds, a note would be assigned to the PAI for 15%. K. Waters further explained that the PAI's investment would be secured by a first lien against the mobile home. Respondents further informed the PAI that if the borrower was delinquent in paying the note, KMHS would pay the PAI.

24. D. Waters informed the PAI about KMHS' Self Directed IRA program ("IRA program"). Respondents' solicitation materials indicated that KMHS pays 12% in the IRA program and promises, "We pay you even if the debtor (purchaser of home) does not pay!!"

25. Another site connected to KMHS was found at <http://www.lenderswanted.com> ("LW site"). The homepage of the LW site stated:

We are looking for private lenders who would like to earn 15-21 % interest per annum, on a secured note (title as collateral).

26. Respondents' LW site also portrayed two programs, one for 15% and one for 21% return and describes them as being for the purchase of existing notes secured by a lien on a manufactured home. Respondents' LW site explained that in the 15% program, KMHS closes the "Promissory Note at 21% per annum. Respondents' LW site further explained that a 6% reserve fund (sole property of Kelly's MHS) will be set up to insure payments to the Investor."

27. According to Respondents' LW site, in both the 15% and 21% programs, KMHS offered notes for the investor to select from. According to the LW site, KMHS had control over issuing the original notes and selecting the borrowers. According to the LW site, KMHS further took responsibility for securing the investor's interest in the mobile home.

28. According to Respondents' LW site, in the 15% program KMHS collected payments for the investors. In the 21% program, the website indicated investors could select an "accounting service" to collect payments for them, and that the costs associated with this service were charged to the "buyer at no cost to you."

29. Respondents' LW site urged investors to "Contact us today at kellyinaz@msn.com." Contact phone numbers were provided for Respondents' Tucson and Tempe office. The LW site displayed the same contact phone number for K. Waters, as referenced in the foregoing paragraphs.
