Re: DOCKET E-01345A-07-0663  
DOCKET T-01 846B-07-0663  
Subject: Late-filed requests for withdrawal of signatures.  
Hillcrest Bay's position on this is issue.

[1] All parties were notified that January 8th, 2008 was the deadline for withdrawal of signatures. One owner did in fact properly remove their signature. This deadline was fair to all concerned and therefore no late filings should be honored.

[2] The few late filed requests received after the January 8th, 2008 deadline came following a letter dated February 8th, 2008 mailed to owners requesting that they remove their signatures. A few did so, but only after being influenced by mostly false information that was contained in this letter; information counter to the testimony at the January 18th 2008 hearing. The author of the letter attended that hearing. Clearly in our opinion the letter and the request made in it was for the benefit of the sender. Hillcrest Bay is on record with the Commission objecting to this attempt to undermine the USCA. Those late filings in our opinion should not be honored.

Respectfully,  
John L. Sears
