RE: Opening of generic docket to contain 90 day notice plan filings for power plants filed pursuant to ARS § 40-360.02.B

E-00000M-08-0170

Please open a generic docket captioned in language similar to the following: "Generic Docket for the 90 day pre-application plans for power plants filed pursuant to ARS § 40-360.02.B".

The purpose of this docket is to contain non-confidential information filed pursuant to ARS § 40.360.02.B. ARS § 40-360.02.B requires applicants intending to file an application for a certificate of environmental compatibility for a power plant to make a pre-filing 90 days prior to the filing of the application. The 90 day pre-filing plan is to reflect certain information specified by the statute, some of which may be confidential. The generic docket to be opened by this memo shall contain only non-confidential information. Applicants should arrange to provide confidential information to Staff and the Commission in a manner separate from the public information docketed in this generic docket.
