Re: Citizens Utilities

Gentlemen

We would like to impress on the people of your commission the fact that many people in the Kingman area are in financial trouble because of the jump in their gas bills. Many people here, like us, are on limited, fixed incomes and cannot make adjustments to handle large increases in their utilities. If Citizens Utilities is allowed to also make dramatic increases in the electric bills, it would be a catastrophe.

Sincerely,

James H Saffeels
Doreen Saffeels
