RE: Slamming/Cramming Rules – Dkt. No. RT 00000J-99-0034

To Whom It May Concern:

In a memorandum dated May 22, 2001, the Commission Staff invited interested parties to comment on the Commission's proposed slamming/cramming rules by June 7, 2001. Citizens Communications did not receive a copy of the proposed rules until May 30, 2001. Thus, Citizens requests additional time to comment. Citizens is currently gathering information from internal sources and expects to file comments on or before the morning of June 13, 2001.

This request for additional time is made on behalf of Citizens Utilities Rural Company (T-01954A), Navajo Communications Company (T-02115A) and Citizens Telecommunications Company of the White Mountains (T-03214A).

Please direct any questions or concerns to me at the address or phone numbers above.

Sincerely,

Curt Huttzell, Ph.D.
Director, State Government Affairs
