RE: Ridgeline Water Company, L.L.C. Application for Certificate of Convenience and Necessity (CC&N) Docket No. W-20589A-08-0173

INSUFFICIENCY LETTER

Dear Sir:

1. Please provide the proposed rate for standpipe and bulk water. On page 1, line 19 of Appendix J entitled "Water Tariff Schedule" there is no rate proposed.
2. Please submit a large scale map, which clearly identifies the proposed location of the water system facilities, **including wells**. Please provide a clearer version of the information within Figures 2 & 3, Water Plan (Appendix "G") the current data is difficult to read.
3. Please provide an engineering estimate with a break down of estimated construction costs for each major component of the water plant (Appendix "H"), in order for Staff to determine the reasonableness of cost.
4. Please provide an estimate of the starting and completion dates of construction of the water company. It is Staff's understanding, that according to Appendix "H", the water plant will be completed in Year 1.

5. Please submit the above requested documents to docket control, include the original and 13 copies.

Pursuant to the Arizona Administrative Code ("A.A.C.") R-14-2-411(C) for water and R-14-2-610(C) for wastewater, upon meeting sufficiency requirements, the Commission has 150 calendar days for its substantive review. This includes conducting a hearing and preparing Opinion and Order to present to the Commission at an Open Meeting; and

Pursuant to A.A.C. R14-2-411(C)(3) and R-14-2-610(C)(3), Staff may terminate an application if the applicant does not remedy all deficiencies within 60 calendar days of the notice of deficiency.

If you have any questions concerning this matter, please do not hesitate to contact me Kiana Sears at 602-542-0754 or Katrin Stukov in Engineering at 602-542-0941.

Gratefully,

Kiana Maria Sears
